★ Candidate ID: 18420 – Physical Therapist

Why This Candidate Stands Out

An experienced Physical Therapist with 20+ years of clinical and leadership experience across skilled nursing, outpatient, home health, and acute care environments. This candidate combines hands-on rehabilitation expertise with multidisciplinary team leadership, staff development, compliance, and quality improvement experience.

Key Highlights:

- 20+ years of physical therapy and leadership experience
- Experience across skilled nursing facilities, outpatient clinics, home health, and acute care
- Strong patient evaluation and individualized treatment planning expertise
- Experience in rehabilitation services and wound care
- Telehealth physical therapy experience
- Led multidisciplinary rehabilitation teams
- Experience overseeing staff development
- Strong compliance and quality improvement background

Scope of Expertise:

Physical Therapy, Rehabilitation, Patient Evaluation, Treatment Planning, Wound Care, Telehealth, Multidisciplinary Team Leadership, Staff Development, Quality Improvement, Regulatory Compliance, Discharge Planning.

Tools & Systems:

The document does not specify particular software or clinical systems for this candidate.

Executive Summary:

A seasoned Physical Therapist offering a strong combination of direct patient care, rehabilitation leadership, and operational experience. Brings extensive experience across multiple care settings while maintaining focus on clinical outcomes, compliance, and efficient rehabilitation delivery.

Ideal For:

Skilled nursing facilities, outpatient clinics, home health organizations, hospitals, and rehabilitation providers seeking an experienced part-time Physical Therapist.

★ Candidate ID: 18502 – Physical Therapist

Why This Candidate Stands Out

A Doctor of Physical Therapy with 20+ years of outpatient rehabilitation experience and leadership experience as both a Physical Therapist and Clinic Director. This candidate brings specialized expertise in orthopedic, neuromuscular, vestibular, and balance disorders, primarily supporting adult and geriatric populations.

Key Highlights:

- 20+ years of outpatient rehabilitation experience
- Clinical and leadership experience as a Physical Therapist and Clinic Director
- Expertise in orthopedic rehabilitation
- Strong neuromuscular rehabilitation background
- Experience treating vestibular and balance disorders
- Extensive experience with adult and geriatric populations
- Oversaw clinic operations and multidisciplinary teams

Scope of Expertise:

Physical Therapy, Outpatient Rehabilitation, Orthopedic Rehabilitation, Neuromuscular Rehabilitation, Vestibular Rehabilitation, Balance Disorders, Clinic Operations, Clinical Leadership, Quality Assurance, Regulatory Compliance, Staff Mentoring.

Tools & Systems:

The document does not specify particular software or clinical systems for this candidate.

Executive Summary:

An experienced Doctor of Physical Therapy combining advanced rehabilitation expertise with clinic leadership. Brings extensive experience managing clinical operations while developing individualized treatment plans and maintaining high standards of patient care.

Ideal For:

Outpatient rehabilitation centers and healthcare organizations seeking a Clinic Director, Director-level leader, or experienced Physical Therapist.

★ Candidate ID: 18612 – Vice President, Denial & Revenue Management

Why This Candidate Stands Out

A healthcare operations executive with 22+ years of leadership experience specializing in revenue cycle management, denial management, regulatory compliance, and reimbursement strategy. This candidate brings enterprise-level expertise across post-acute care and has driven financial improvements through revenue recovery, process optimization, and payment integrity initiatives.

Key Highlights:

- 22+ years of healthcare leadership experience
- Extensive revenue cycle management expertise
- Strong denial management and Medicare appeals experience
- Expertise in payment integrity and reimbursement optimization
- Experience across skilled nursing, home health, hospice, rehabilitation, and workers' compensation services
- Experience driving revenue recovery and financial improvement
- Advised executive leadership on acquisitions, litigation support, and regulatory risk
- Experience integrating AI-driven solutions into healthcare workflows, auditing, and reimbursement processes

Scope of Expertise:

Revenue Cycle Management, Denial Management, Medicare Appeals, Healthcare Operations, Payment Integrity, Reimbursement Strategy, Regulatory Compliance, Revenue Recovery, Process Optimization, Operational Transformation, Executive Leadership.

Tools & Systems:

The document specifically mentions experience integrating AI-driven solutions, but does not identify individual software platforms or systems.

Executive Summary:

A senior healthcare operations and revenue management executive with extensive experience improving reimbursement performance, regulatory compliance, and enterprise operations. Combines revenue cycle expertise with strategic leadership and technology-driven process improvement.

Ideal For:

Post-acute care organizations and healthcare providers seeking a Vice President, Chief Operating Officer, Director, or senior Revenue Cycle/Operations leader.
